MOOKC is honored to perform this evening for The Classical Mandolin Society of America. Our orchestra has only been in existence for five years, but we have worked hard and tonight you will hear the results of our labor. With one exception, all of the music on tonight's program was either arranged or composed by our music director, Philip DeWalt. Although we perform traditional music, we believe mandolin orchestras are the most interesting when they're playing outside the box, embracing jazz, classical, novelty, 20th century, pop, contemporary, and even surf music. Tonight we spotlight some of the more unique selections from our repertoire. Enjoy!
